

**Xerox Connect Key
will blow you away!**

It's no longer "just a copier"

Parsons Office Systems Inc.

Serving Central Texas Since 1944

Xerox did it again!

- Custom APP's can be designed for your specific industry or office needs, turning your Xerox into a makeshift kiosk.
- Automate - Automate - Automate
- The most secure copier on the market and the only copier to offer white-listing, black-listing, and built in anti-virus software.
- Workflow processes can be achieved at the copier and abroad
- It is more user friendly than ever.

Manage digital files and scan paper into the easiest-to-use database starting at only \$30 monthly! We offer computer or server (cash or payments), and cloud options.
