Parsons Office Systems Inc.

Serving Central Texas Since 1944

Document Management System starting at only \$30 monthly. Choose purchase or payment options. We offer computer, server, & cloud options.

Protect your paper documents from fire, water damage, or theft. Paper and digital files of any type (email, Word, Excel, video, pictures, etc.) can all be **efficiently managed** within an easy to use Document Management System called Imaging Made Simple (IMS). IMS offers powerful features including **user access security features, audit trail** (who did what & when), **annotations** (notes, stamps, highlight, redact), **workflow, version control**, and much more. IMS helps you to **never lose documents** and to **find documents in seconds**.
